How a FuneralBond can help

FuneralBond has been specifically designed to help you meet the costs of your funeral.

Pre-planning a funeral

You can use your FuneralBond as part of a pre-paid funeral arrangement. Easily transfer your FuneralBond to your chosen funeral director.

Social security advantages

If you receive an age pension, service pension or other means-tested Government benefit, your level of benefits could be improved. The FuneralBond is exempt from the pension income and assets tests, up to certain limits (\$12,750 as at July 2017).

If you transfer the FuneralBond to a funeral director as part of a pre-paid funeral arrangement, there are no limits on the amount that's exempt from the pension income and assets tests.

Tax advantages

A tax-effective way to save for your future funeral costs. There's no need to report investment returns in your annual personal tax return and no requirement to keep additional, ongoing paperwork.
