

# Generation Life Term Deposit Fund

Cash – term deposits

## Objective

To outperform (before tax and fees) the Bloomberg AusBond Bank Bill Index<sup>1</sup> and achieve returns superior to cash management trusts, by investing predominantly into a diversified range of term deposit and deposit like investments.

## Investment approach

Primarily invests in term deposits issued by major Australian banks with a bias toward the top four banks. The fund is managed to provide a short-term maturity profile to meet liquidity requirements.

## About the investment manager

Mutual is an independently owned investment manager and adviser with total FUM and funds under advice at 30 September 2017 exceeding \$2.7 billion. The Company specialises in investment mandates and advisory roles of prudentially supervised institutions (including APRA regulated institutions). Mutual manages and advises individual wholesale clients under tailored Investment Management Agreements. Its investment expertise covers short-term securities, fixed interest and Australian shares.
