## Investment objective

The fund aims to provide a return (before fees, costs and taxes) that exceeds the S&P/ASX 200 Accumulation Index over the medium to long term, whilst maximising the portfolio's focus on sustainability.

## Investment approach

The fund uses an active stock selection process that combines sustainable and ethical criteria with the managers' financial analysis. The manager actively seek out companies and industries that demonstrate leading ESG and ethical practices and excludes companies not meeting the investable criteria. The sustainability and ethical criteria employed includes factors such as environmental issues; social practices; corporate governance; and ethical practices. The fund will not invest in companies with material business involvement in the following activities: the production of tobacco or alcohol; manufacture or provision of gaming facilities; manufacture of weapons or armaments; manufacture or distribution of pornography; directly mine uranium for the purpose of weapons manufacturing; and extraction of thermal coal and oil sands production.
