### Investment objective

Seeks to track the weighted average return of the various indices of the underlying funds invested in, in proportion to its strategic asset allocation, before taking into account fees, expenses, and tax.

# Investment approach

The strategic allocation reflects a 90% allocation to growth assets and a 10% allocation to income assets.

### About the investment manager

With more than AUD \$5.9 trillion in assets under management as of 30 September 2017, including more than AUD \$1 trillion in ETFs, Vanguard is one of the world's largest global investment management companies. In Australia, Vanguard has been serving financial advisers, retail clients and institutional investors for more than 20 years.
