Invests into	EQT Wholesale Mortgage Income Fund (APIR: ETL0122AU)

Investment objective

Outperform the RBA Cash Rate over rolling three-year periods.

Investment approach

Comprising a portfolio of real estate mortgages operated in a highly conservative fashion, it is designed for investors seeking income returns higher than short-term money market rates and who also seek a relatively lower risk investment compared to more volatile investment sectors.

About the investment manager

EQT is publicly listed company on the ASX. Established in 1888, EQT has helped Australians to build and manage their wealth for over a century. It has a skilled team of specialists who are committed to acting in the best interests of clients via wealth management solutions over a range of asset classes carrying different risk profiles. The company offers a broad range of financial products and services, including the provision of estate management, trustee services, portfolio management, taxation advice, superannuation and responsible entity services for external fund managers.

Performance² (after tax and management fees)
