Investment objective

To provide a total return, consisting of capital appreciation and income, by gaining exposure to a diversified portfolio of companies and real estate securities listed on approved developed and emerging markets, and domestic and global fixed interest securities. Will seek to target approximately 50% exposure to equities and 50% exposure to fixed interest assets.

Investment approach

Normally, the manager will gain some or all of its exposure by investing in other funds managed by it that invest in equity, real estate and fixed interest securities.

About the investment manager

DFA Australia Limited (DFA Australia) is the Manager and Responsible Entity of the Dimensional Wholesale Trusts. DFA Australia Limited is the Australian subsidiary of the US-based Dimensional Fund Advisors LP, which was founded in 1981. With clients around the world, Dimensional has 13 offices in nine countries and global assets under management of \$735 billion (in AUD) as at 31 December 2018. Dimensional manages assets for institutional investors and clients of registered financial advisors.
