Privacy collection statement

This privacy collection statement relates to personal information collected by Generation Life.

You can contact us at enquiry@genlife.com.au or by calling 1800 806 362 (Monday to Friday).

The facts and circumstances of collection

Where it is practical to do so we will collect personal information directly from the person to whom the information relates. However, sometimes information might need to be collected from a third party and it is the third party's responsibility to notify the person about the disclosure of their personal information to us.

The purpose of collection

We collect personal information for the primary purpose of providing financial products and services. This may include verifying identity, managing your investment, managing and resolving complaints, and providing notices and statements.

The consequences if personal information is not collected

If we are unable to collect personal information it may prevent or delay processing the application or requests, prevent us contacting you, or cause tax consequences.

Other entities to which personal information is usually disclosed

We engage a number of third party service providers to assist us in providing products and services. We may disclose personal information to these service providers, which will usually include our administrators, legal advisers, auditors, mail houses, research companies, and information technology providers. When disclosing personal information to third party service providers we will seek to ensure that they comply with the Privacy Act 1988 (Cth). We may also disclose personal information to Government bodies, or other entities as required by law.

Our Privacy Policy

More information on our Privacy Policy is available on our website www.genlife.com.au

It also contains information about how you can get access to information we hold about you, how to seek correction of that information, how to make complaints about privacy and how we will deal with those complaints.

Anti-Money Laundering and Counter-Terrorism Financing Act 2006

Under Australia's Anti-Money Laundering and Counter Terrorism Financing Act 2006 (AML/CTF Laws) we are required to verify the identity of all new investors. This means we must verify certain information about you, and to do this we need to obtain certain identity verification documentation.

For certain types of investors, such as Politically Exposed Persons we may need additional information. In certain circumstances, AML/CTF Laws may require us to seek further information from you in relation to the source of your funds for this investment.

If we do not receive the necessary identity verification documents with your Application Form, or we are unable to verify your identity at any time, we might be delayed or not able to establish your investment. In addition, withdrawals, investment switches or transfers may not be processed if we do not receive further information or documents reasonably requested. This also applies to individuals who are authorised third party signatories on your account.

We will be unable to process your application without completed customer identification details and adequate identification documentation.

We may also ask for further information and documents from you at any time. If you do not provide the documents, we may refuse to accept an investment application or to pay a withdrawal.

You must not knowingly do anything to put us in breach of AML/CTF Laws. You agree to notify us if you are aware of anything that would put us in breach of AML/CTF Laws. If requested, you agree to provide additional information and assistance and comply with all reasonable requests to facilitate our compliance with AML/CTF Laws in Australia or an equivalent overseas jurisdiction. You represent and warrant that you are not aware and have no reason to suspect that:

- the money used to fund the investment is derived from or related to money laundering, terrorism financing or similar illegal activities; and
- proceeds of investments made under this Application Form will fund illegal activities.

We are subject to AML/CTF Laws. In making an application pursuant to these terms and conditions, you consent to us disclosing in connection with AML/CTF Laws any of your personal information (as defined in the Privacy Act 1988) we have.

In certain circumstances we may be obliged to freeze or block access to your investment where it is used in connection with illegal activities or suspected illegal activities. Freezing or blocking can arise as a result of the account monitoring that is required by AML/CTF Laws. If this occurs, we are not liable to you for any consequences or losses whatsoever and you agree to indemnify us if we are found liable to a third party in connection with the freezing or blocking of your account.

We retain the right not to process any application at our sole discretion.

Key beneficial ownership

Under AML/CTF Laws, we are required to verify the identity of certain individuals, who ultimately control and/or own (either directly or indirectly) a company or trust that is making an application. We refer to them as Key Beneficial Owners because under AML/CTF Laws, they:

- have ultimate 'control' of the company or trust as a result of, or by means of, trusts, agreements, arrangements, understandings and practices and this includes them exercising control through the capacity to determine decisions about financial and operating policies; or
- own (either directly or indirectly) 25% or more of the company or trust.

Individual identification documentation will also be required for Key Beneficial Owners.

Politically Exposed Persons

To comply with AML/CTF Laws, we require you to disclose whether you (or any Key Beneficial Owners are) or you have an association with, a Politically Exposed Person.

A Politically Exposed Person is an individual who:

- holds a prominent public position or function in a government body or an international organisation (such as a government minister or senior government official, a high ranking member of the armed forces, or a Chairman, CEO or CFO of an international organisation); or
- is an immediate family member of a person referred to above or is a close associate of that person.

Where you identify as a Politically Exposed Person, or you have an association with a Politically Exposed Person, we may request additional information from you and this may cause a delay in processing your application.

Identity verification documents

Under AML/CTF Laws, we may need additional identity verification documents and/or information about you or anyone acting on your behalf. You should be aware that we may be required to pass information that we hold about you or your investment to the relevant government authority.

You have verification options for the kind of identity verification documentation that can be provided. Alternative types of identification may be acceptable under circumstances permitted under AML/CTF Laws. Please refer to the 'Completing proof of identity' document available on our website or contact us for more information.

Identification through a financial adviser

If you have a financial adviser acting for you they may be able to assist with your identity verification documents to be lodged with this application. To do this, your financial adviser may need to sight your original documents or may assist you with making certified copies.

Your financial adviser might also retain the certified copies and send them to us with your Application Form. Alternatively, they may have entered into arrangements with us, for them to collect and verify your information on our behalf. If these arrangements are in place, you do not have to attach your identity verification documents as your financial adviser will provide us with the required documentation.

Identification without a financial adviser

If you are investing directly (without a financial adviser) you will need to obtain and provide us with certified copies of your identity verification documents with your application. Please refer to the 'Document Certification' section for a list of qualified people who can certify copies of your original documents.

Do not provide original documents as we will not return documents provided by you for the purposes of client identification.

Document Certification

A certified true copy is a copy of a document that has been certified as a true copy of the original, by a person authorised to certify documents. It may include a certified true copy of a print out from an electronic source such as a website.

Persons authorised to certify documents are:

- an officer with, or authorised representative of, a holder of an Australian financial services licence (AFSL), having two or more continuous years of service with one or more licensees;
- a finance company officer with two or more continuous years of service with one or more finance companies (for the purposes of the Statutory Declaration Regulations 1993);
- an officer with two or more continuous years of service with one or more financial institutions (for the purposes of the Statutory Declaration Regulations 1993);
- a permanent employee of the Australian Postal Corporation with two or more years of continuous service who is employed in an office supplying postal services to the public;
- an agent of the Australian Postal Corporation who is in charge of an office supplying postal services to the public;
- a Justice of the Peace;
- a person who is enrolled on the roll of the Supreme Court of a State or Territory, or the High Court of Australia, as a legal practitioner (however described);
- a judge of a court;
- a magistrate;
- a chief executive officer of a Commonwealth court;
- a registrar or deputy registrar of a court;
- an Australian police officer;
- an Australian consular officer or an Australian diplomatic officer (within the meaning of the Consular Fees Act 1955);
- a member of the Institute of Chartered Accountants in Australia, CPA Australia or the National Institute of Accountants with two or more years of continuous membership; or
- a notary public officer (for the purposes of the Statutory Declaration Regulations 1993).

The person certifying the document must see the original and the copy they are to certify.

We suggest that the person certifying your identity verification documentation use a statement such as:

"I certify this to be a true copy of the corresponding pages of the original document, which was produced to me at the time of signing".

The authorised person should also print their name and position/capacity and date the document. Please refer to the 'Completing proof of identity' document available on our website for more information.

Investing under a power of attorney

If your application is being signed under a power of attorney, you need to provide us with a certified copy of it (including a specimen signature of the attorney). A certified copy of the proof of identity for the holder of the power of attorney is also required.
