## Investment objective

To provide total returns (income and capital growth) after investment costs and before tax, above the FTSE EPRA/NAREIT Developed Index Hedged in AUD Net Total Return Index on a rolling three-year basis.

## Investment approach

To take advantage of global real estate market conditions, as well as country-specific opportunities, the fund's investment style combines a stock-specific (bottom-up) selection process complemented by a macroeconomic (top-down) approach to regional and country allocations.

## About the investment manager

AMP Capital is a global investment manager with a large presence in Australia. As part of the AMP Group, they share a heritage that spans over 170 years. Its home strength in Australia and New Zealand has enabled it to grow internationally, and today it has operations established in the Dubai, China, Hong Kong, India, Ireland, Japan, Luxembourg, the United Kingdom and the United States. It also collaborates with a network of global investment partners, leveraging their shared capabilities to provide greater access to new investment opportunities. Their asset class specialists, investment strategists and economists work together with the aim of delivering strong investment outcomes for their clients. That is why AMP Capital clients trust them to invest over A\$189.3 billion (as at 30 June 2018) on their behalf, across a range of single sector and diversified funds
