## Investment objective

The fund aims to provide a return (before fees, expenses and tax) that exceeds the fund's benchmark over the medium to long term..

## Investment approach

This fund is an actively managed diversified portfolio that invests in Australian and international shares, Australian and international listed property securities, Australian and international fixed interest, cash and alternative investments. The manager actively seeks exposure to securities and industries that demonstrate leading environmental, social and corporate governance (ESG) and ethical practices while excluding companies not meeting the investable criteria.

## About the investment manager

Pendal Institutional Limited (Pendal) is an independent, global investment management business focused on delivering superior investment returns for its clients through active management. Pendal offers investors a range of Australian and international investment choices including shares, property securities, fixed income and cash strategies, as well as multi-asset and responsible investments. To complement its in-house expertise, Pendal also partners with leading global investment managers. Pendal is a wholly owned subsidiary of Pendal Group Limited. With \$92.8 billion in funds under management (as at 31 December 2018), Pendal Group Limited is one of Australia's largest and most enduring pure investment managers (ASX:PDL).
