Investment objective

To outperform (before fees and tax) the Bloomberg AusBond Bank Bill Index² and achieve returns superior to cash management trusts, by investing predominantly into a diversified range of term deposit and deposit like investments.

Investment approach

Primarily invests in term deposits issued by major Australian banks with a bias toward the top four banks. The fund is managed to provide a short-term maturity profile to meet liquidity requirements.

About the investment manager

Mutual is an independently owned investment manager and adviser with total FUM and funds under advice at 29 March 2019 exceeding \$2.8 billion. The Company specialises in investment mandates and advisory roles for prudentially supervised institutions (including APRA regulated institutions). Mutual manages and advises individual wholesale clients under tailored Investment Management Agreements. Its investment expertise covers short-term securities, fixed interest and Australian shares.
