## Investment objective

Seeks to track the return of the various indices of the underlying funds in proportion to the strategic asset allocation for the portfolio before taking into account fees, expenses and tax.

## Investment approach

The portfolio provides low-cost access to a range of Vanguard sector funds, offering broad diversification across multiple asset classes. It seeks to replicate the asset allocation of the Vanguard Balanced Index strategy and is equally invested in income and growth assets. It is designed for investors with a medium tolerance for risk. The portfolio targets a 50% allocation to income asset classes and a 50% allocation to growth asset classes.

## About the investment manager

With more than A\$6.9 trillion in assets under management as of 30 June 2020 including more than A\$1.2 trillion in ETFs, Vanguard is one of the world's largest global investment management companies. In Australia, Vanguard has been serving financial advisers, retail clients and institutional investors for more than 20 years.
