Recent investment management history

Investment option name changed from Vanguard Australian Fixed Interest Index Fund effective 4 December 2017

Investment manager changed from Vanguard Investments to BlackRock Investment Management (Australia) Limited on 4 December 2017.

Notes

- Investment management costs include investment manager's fees, estimated investment expense recoveries and other indirect investment costs as a percentage of the total average assets of the investment option based on latest available information, but excludes indirect transaction and operational costs.
- Bloomberg Finance L.P. and its affiliates (collectively, 'Bloomberg') do not approve or endorse this material and disclaim all liability for any loss or damage of any kind arising out of the use of all or any part of this material.
- Past performance is not an indicator of future performance.
- The administration fee is deducted directly from the investment option before unit prices are declared.

Investment objective

Aims to provide investors with the performance of the market, before fees and tax, as measured by the Bloomberg AusBond Composite 0 + Year Index².

Investment approach

To closely track the risk characteristics of the index, while minimising transaction costs. Will look to closely match the index major risk and return factors through a methodology called stratified sampling.

About the investment manager

BlackRock BlackRock's purpose is to help more and more people experience financial well-being. As a fiduciary to investors and a leading provider of financial technology, its clients turn to it for the solutions they need when planning for their most important goals. As of 30 June 2020, the firm managed approximately US\$7.32 trillion in assets on behalf of investors worldwide.

iShares unlocks opportunity across markets to meet the evolving needs of investors. With more than twenty years of experience, a global line-up of 900+ exchange traded funds (ETFs) and US\$2.16 trillion in assets under management as of 30 June 2020, iShares continues to drive progress for the financial industry. iShares funds are powered by the expert portfolio and risk management of BlackRock, trusted to manage more money than any other investment firm (based on US\$7.32 trillion in assets under management as of 30 June 2020).
