² Past performance is not an indicator of future performance.

³ The administration fee is deducted directly from the investment option before unit prices are declared.

Investment objective

Aims to achieve maximum total return by investing in fixed interest securities predominantly denominated in Australian or New Zealand currencies, and to seek to preserve capital through prudent investment management.

Investment approach

In pursuing the fund's investment objective, the manager applies a wide range of diverse strategies including Duration analysis, Credit analysis, Relative Value analysis, Sector Allocation and Rotation and individual security selection. The manager's investment strategy emphasises active decision making with a long-term focus and seeks to avoid extreme swings in Duration or maturity with a view to creating a steady stream of returns.

About the investment manager

PIMCO Australia Pty Limited (PIMCO) is a member of the PIMCO Group, one of the largest investment managers in the world.
