- The administration fee is deducted directly from the investment option before unit prices are declared.

## Investment objective

Aims to provide a return (before fees, costs and tax) that exceeds the Bloomberg AusBond Non Govt 0+ Year Index<sup>2</sup> over the medium term.

## Investment approach

This fund is designed for investors who want income, diversification across a broad range of companies and industries and are prepared to accept some variability of returns. The fund aims to take advantage of investment opportunities within the Australian non-Government fixed interest market and invests primarily in Australian dollar corporate bonds including investment grade securities issued by leading corporations listed on the Australian Securities Exchange. The fund may also invest in a limited amount of hybrid securities, non-investment grade securities and unrated securities. The fund may also hold cash and may use derivatives.

## About the investment manager

Pendal Institutional Limited (Pendal) is an independent, global investment management business focused on delivering superior investment returns for its clients through active management. Pendal offers investors a range of Australian and international investment choices including shares, property securities, fixed income and cash strategies, as well as multi-asset and responsible investments. To complement its in-house expertise, Pendal also partners with leading global investment managers. Pendal is a wholly owned subsidiary of Pendal Group Limited. With \$89.4 billion in funds under management (as at 30 June 2020), Pendal Group Limited is one of Australia's largest and most enduring pure investment managers (ASX: PDL).
