## Recent investment management history

Investment option name changed from Vanguard International Shares Index Fund effective 4 December 2017

Investment manager changed from Vanguard Investments to BlackRock Investment Management (Australia) Limited on 4 December 2017.

## Notes

- Investment management costs include investment manager's fees, estimated investment expense recoveries and other indirect investment costs as a percentage of the total average assets of the investment option based on latest available information, but excludes indirect transaction and operational costs.
- Past performance is not an indicator of future performance.
- The administration fee is deducted directly from the investment option before unit prices are declared.

## Investment objective

Aims to provide investors with the performance of the market, before fees and tax, as measured by the MSCI World ex Australia Net TR Index (unhedged in AUD with net dividends reinvested).

## Investment approach

To closely track the risk characteristics of the index, while minimising transaction costs. Will hold all of the securities in the index (most of the time), allowing for individual security weightings to vary marginally from the index from time to time.

## About the investment manager
