## Investment objective

Aims to grow the value of the investment over the long term via a combination of capital growth and income, by investing in a diversified portfolio of primarily Australian shares, providing a total return that exceeds the S&P/ ASX 300 Accumulation Index by 4% per annum after investment fees and before tax (measured on a rolling 3-year basis).

## Investment approach

Investors are offered a portfolio that holds between 20 and 35 of the team's best high-conviction stock picks. The companies within the fund's portfolio are primarily selected from, but not limited to, the S&P/ASX 300 Index. The fund may invest in securities expected to be listed on the Australian Securities Exchange. Derivative instruments may be used to replicate underlying positions on a temporary basis.

## About the investment manager

Bennelong Australian Equity Partners (BAEP) is a boutique fund manager focused on investing in Australian listed equities. The business was founded in 2008 by Mark East in partnership with Bennelong Funds Management and is an award-winning and highly rated fund manager. As Chief Investment Officer, Mark East is responsible for the funds BAEP manages on behalf of its retail and institutional clients.
