## Investment objective

Aims to provide a steady stream of income and capital stability over the medium term while aiming to outperform the Reserve Bank of Australia official cash rate through market cycles (before fees and taxes).

## Investment approach

Targets an absolute return over time, by investing in a global, diversified portfolio of predominantly investment grade fixed income securities, according to the manager's global macroeconomic and market views.

## About the investment manager

Kapstream Capital manages over A\$17.2 billion from offices in Sydney and Newport Beach, California. Kapstream invest by setting absolute return targets and absolute risk limits, creating portfolios that are constructed using predominantly investment grade assets that more closely meet the 'real return' requirements of investors, in delivering consistent and positive returns. Since July 2015 Kapstream has operated as an autonomous 'boutique' subsidiary of Janus Henderson Investors.
