Investment objective

Aims to outperform (before fees and tax) the Bloomberg AusBond Bank Bill Index² and achieve returns superior to cash management trusts, by investing predominantly into a diversified range of term deposit and deposit like investments.

Investment approach

Primarily invests in term deposits issued by major Australian banks with a bias toward the top four banks. The fund is managed to provide a short-term maturity profile to meet liquidity requirements.

About the investment manager

Established in 2010, Mutual Limited is a cash, credit and fixed income investment manager based in Australia and independently owned. Mutual Limited is an active investment manager, with an investment approach that focuses on selecting securities that are considered creditworthy and offer the potential to deliver a reliable and safe return to investors. Mutual Limited has a long-term track record of performance and reliability across its investment strategies, specialising in managing funds for investors that are either conservative, prudentially supervised or who operate subject to regulated investment regimes.
