Investment objective

Aims to outperform (before fees and tax) the Bloomberg AusBond BankBill Index² and achieve returns superior to cash management trusts.

Investment approach

Actively manage a portfolio of low risk debt products and securities on offer by Australian authorised deposit-taking institutions with a bias (minimum 60%) toward those issued by the four major Australian banks.

About the investment manager

Established in 2010, Mutual Limited is a cash, credit and fixed income investment manager based in Australia and independently owned. Mutual Limited is an active investment manager, with an investment approach that focuses on selecting securities that are considered creditworthy and offer the potential to deliver a reliable and safe return to investors. Mutual Limited has a long-term track record of performance and reliability across its investment strategies, specialising in managing funds for investors that are either conservative, prudentially supervised or who operate subject to regulated investment regimes.
