Account Guardian nomination

An Account Guardian can be nominated to temporarily hold a LifeBuilder investment on behalf and for the benefit of the nominated transferee where:

- a Future Event Transfer on the death of the last surviving owner has been requested, and the nominated transferee has not attained 16 years of age on the transfer event date; or
- the nominated transferee is below 16 years of age on the selected date of the Future Event Transfer or immediate transfer date; or
- the selected date of future transfer is after your death.

This election can be made by completing the Account Guardian Nomination form available on our website.

If no election is made, the account will be maintained by you (or the last surviving owner for joint accounts) or the estate representative of the last surviving owner to hold and administer on trust (on behalf and for the benefit of the nominated transferee) until your nominated transferee attains 16 years of age, or the selected future transfer date is reached (whichever is later), after which ownership will pass to the nominated transferee outright.

Once the last surviving life insured passes, the investment will ordinarily mature, and the proceeds paid out. Please consider nominating a life insured who would likely be living at the time of transfer and beyond to ensure continuity of investment. Nominating a life insured can be made using the Life Insured and Change to Investment Term form available on our website.

5. Declaration and signatures

I/We confirm that I/We have received a copy of the current Product Disclosure Statement (PDS) and have read and understood the PDS and agree to be bound by the terms and conditions set out in the PDS.

I/we acknowledge that Limited Liquidity investment options will not be available as part of the Future Event transfer Regular Income Payment arrangement.

I/We acknowledge that if I/we transfer Limited Liquidity investment options in my/our Generation Life investment bond, these investment options may limit or delay the transferee's ability to make withdrawals, switch from, or for Generation Life to pay death benefit payments from these investment options, and the transferee will not generally be able to access proceeds from these investment options on a daily basis.

I/We agree that if I/we transfer the above investments before the stated future event, then the nominations will be cancelled and revoked with effect as from the date of the transfer.

I/We cancel and revoke all previous Future Event transfer instructions made by me/us in respect to the above investment.
