Investment objective

Aims to provide a steady stream of income and capital stability over the medium term while aiming to outperform the Reserve Bank of Australia official cash rate through market cycles (before fees and taxes).

Investment approach

Targets an absolute return over time, by investing in a global, diversified portfolio of predominantly investment grade fixed income securities, according to the manager's global macroeconomic and market views.

About the investment manager

Kapstream is a specialist manager of global fixed income strategies. Kapstream steps beyond the traditional 'core manager' fixed income approach by actively and flexibly investing in a wide range of strategies to exploit market inefficiencies across the full spectrum of fixed income markets. This expertise, together with the broad investment universe that Kapstream can utilise, enables Kapstream to deliver consistent and positive returns to investors over time.
