Investment objective

Aims to grow the value of the investment over the long term via a combination of capital growth and income, by investing in a diversified portfolio of primarily Australian shares, providing a total return that exceeds the S&P/ ASX 300 Accumulation Index by 4% per annum after investment fees and before tax (measured on a rolling 3-year basis).

Investment approach

Investors are offered a portfolio that holds between 20 and 35 of the team's best high-conviction stock picks. The companies within the fund's portfolio are primarily selected from, but not limited to, the S&P/ASX 300 Index. The fund may invest in securities expected to be listed on the Australian Securities Exchange. Derivative instruments may be used to replicate underlying positions on a temporary basis.

About the investment manager

Bennelong Australian Equity Partners (BAEP) is a boutique fund manager focused on investing in Australian listed equities. The business was founded in 2008 by Mark East in partnership with Bennelong Funds Management. BAEP aims to outperform the market via a research-intensive and high conviction approach, actively managing relatively concentrated and differentiated portfolios made up of the team's highest conviction stock picks.
